

New Source Review newspaper advertisements for construction permit applications, October 13, 2011. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: October 11, October 12, or October 13, 2011. Public notices are generally published every two weeks. The previous publication of public notices was September 29, 2011.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Alcoa Recycling Company with a mailing address of 1722 Henry G. Lane, Maryville, TN 37801. They seek to obtain an air contaminant permit (Division identification number: 05-0164-03/64957) for the modification of their used beverage can process for quality evaluation and supplier qualification located at 1722 Henry G. Lane, Maryville, Tennessee. The modified operation consists of a shear shredder, primary shredder and eddy current. Fabric filters are used for pollution control. There would be no physical construction. Regulated air contaminants would be emitted by this source. Mr. Steven Simpson is the assigned Division person.

For the Blount County "Maryville Daily Times"—published once on or before Thursday, October 13, 2011.

The applicant is Shackelford Cremation Services, Inc with a mailing address of P.O. Box 309, Selmer, TN 38375. They seek to obtain an air contaminant permit (Division identification number: 55-0157-01/64856) for construction of a Crematory located at 160 West Cypress Avenue, Selmer, TN 38375. This proposed operation would consist of a crematory and associated equipment used to cremate human remains. Natural gas would be used for fuel. An afterburner and secondary chamber temperature monitor would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mrs. Sarosh Kaiser is the assigned Division person.

For the McNairy County "Independent-Appeal" -- published once on or before Thursday, October 13, 2011.

The applicant is Electrolux Major Appliances North America with a mailing address of 1100 Industrial Drive, Springfield, TN 37172. They seek to obtain an air contaminant permit (Division identification number: 74-0055-38/64926) for modification of an existing Silk Screen Coating Operation located at the same address. The proposed modification is a change in the method of recordkeeping for emissions from the source, with no increase in total facility VOC emissions. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. Younes Aleali is the assigned Division person.

For the "Robertson County Times" -- published once on or before Thursday, October 13, 2011.

---

The applicant is Lewis Brothers Bakeries, Inc. of Tennessee with a mailing address of 855 West College Street, Suite 120, Murfreesboro, TN 37129. They seek to obtain an air contaminant permit (Division identification numbers: 75-0384-00/64959) for modification of a Bread and Bun Production facility. The facility is located at 847 Scott Street, Murfreesboro, TN 37129. There would be no physical construction. Regulated air pollutants are emitted by this source. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. Mr. S. Kusumanchi is the assigned Division person.

For the Rutherford County "Daily News Journal"--published once on or before Thursday, October 13, 2011.
